Good Morning Marietta,

Debra and I made the FL meeting weekly and the next one is scheduled for tomorrow at 3:30 where we will get some additional information about pollinators and water testing. Last week Debra and I had a calls with Dan R. and Erin where we discussed how to make the conditions of registration strong.

Debra and I will also be working on label comments this week and I am in the process of reviewing the Draft Decision memo she sent last week. I will coordinate with her on when we will be sending you a draft.

Shanta

Subject: aldicarb - checking in

Just checking in on a status update. Is there anything that the team needs our assistance with? Are we keeping the meeting with FL this week? Let me know if you guys need any guidance this week and we can get something scheduled. Thanks!

Regards,
Marietta
